

RUM RUNNERS GET THRU WITH MANY CASES OF LIQUOR

Declared Holiday Friday as Government Boats Kept Watch

(By The Associated Press)  
HIGHLANDS, N. J., Jan. 12.—Government craft were reported tonight by bootleggers' scouts to be keeping a sharp watch off the Highlands and runners who last night were smuggling liquor ashore from a fleet massed off Ambrose channel (lightship declared a holiday).  
Two Highland runners ventured out this afternoon and altho they returned tonight with small cargoes, they asserted that the risk was too great as the Highlands were under close guard. They added that rum runners from Long Island points had visited the liquor fleet today and had no trouble running their cargoes thru the haze which hung over the sea. Some of the rum fleet, they declared had disposed of their stock and departed.  
Receiving this report the local bootleggers met after supper in a boat house and voted "to lay low until the squall is over." Two bootleggers sat on whiskey cases and rested their backs against stacks of them.  
It was revealed at the bootleggers' meeting that one of four boats captured last night escaped from the captor in the darkness during an argument. This boat today was repainted and her engine changed.  
Besides the boats that succeeded in bringing liquor into Highlands, cargoes were landed at Atlantic Highlands, Belford, Port Monmouth, Keansburg, Seabright, Galilee, Monmouth Beach and other points down as far as Point Pleasant. This fact was openly proclaimed by bootleggers operating out of the various towns.  
Bootleggers who backed up their boats with disarms of \$1,000 bills that were not counterfeit.  
Reports of last night's activities aroused a furore in Highlands today. Mayor Kleiderdorf making a long statement to the effect that reports that 25,000 cases or any such amount had been landed was a myth.  
Have Their Own Way.  
Citizens were round, however, by the Associated Press correspondent who reached Highlands late yesterday afternoon who asserted that bootleggers had things pretty much their own way in this town.  
A townsman who has lived here for 25 years declared today to the Associated Press correspondent that there were a number of residences which if one were to enter the front door and walk thru the hall to the kitchen would reveal cases of liquor stacked on both sides to the curtain.  
Two law enforcement agents dropped into town today as two motor vans loaded of liquor destined for Newark rolled down the main street.  
An agent stopped one van and asked the driver to direct him to a certain hotel. The driver directed the agent who thanked him, and the booze rolled on.  
Those bootleggers who came in contact with the government boats last night and escaped said that a negro customs agent or employee actually had been the most active of the enforcement party.  
This negro they said was the bravest government man they had met. He went aboard the Evelyn after she was captured and halted three boats after chase during which the runners were forced to abandon their cargoes. Coming alongside the runners he leaped into their boats from the Evelyn's deck and ordered hands up while he searched for liquor.  
"It's customs," they quoted him as saying, "Do'n fool wif me." They didn't.  
Bootleggers discussing last night's coupe with a staff correspondent of the Associated Press declared that the swarm of small craft gathered around the rum fleet was so thick that they could hardly gain landing space along-side.  
They estimated that more than 300 little boats had put out.  
CULBERSON OUT ON \$12,000 BOND  
Wichita Falls, Texas, Jan. 12.—Major W. L. Culberson, inspector for Texas National Guard, was released on \$12,000 bond today after the grand jury had returned an indictment charging him with the murder of M. L. Lamar.  
Lamar was shot and killed Monday and Culberson surrendered immediately. Domestic troubles caused the shooting, officers say.  
ALLEGED PROHIBITION VIOLATORS ARRESTED  
St. Louis, Mo., Jan. 12.—Federal warrants charging Arthur G. Whittaker, a chemist and Ben Higginbotham, a chauffeur with conspiracy to violate the Volstead act were issued today following a raid yesterday on a plant in a four story warehouse, which police declared was equipped for the reclamation of denatured alcohol.

FEDERAL PROHIBITION OFFICIALS SHOW MILD INTEREST

Believe Forces Able to Cope With Reported Rum Runners

(By The Associated Press)  
WASHINGTON, Jan. 12.—Federal prohibition officials evinced only mild interest today in press reports of the landing of large quantities of smuggled liquor on the New Jersey coast particularly in the vicinity of Highlands. Aside from a routine letter to William B. Moss, acting director for New Jersey asking for a report, no official notice will be taken of the situation, it was declared officially.  
The letter to Mr. Moss called his attention to the extensive publicity being given the appearance of a supposed fleet of rum-runners off Ambrose channel lightship and subsequent attempts to land cargoes.  
Prohibition bureau officials said they had received no reports of unusual rum-running operations from their representatives in New Jersey or New York. Confidence was expressed at prohibition headquarters in the ability of the enforcement agents in that area to handle any situation which might arise. It was learned that Acting Director Yellowley, of New York and Section Chief Appleby, executive officer of the dry navy, had been ordered to co-operate with Mr. Moss to the utmost of their facilities.  
There was no disposition to deny the existence of a certain movement of illicit beverages both across the Atlantic seaboard and across the Canadian line. Neither the land or sea forces of the bureau were adequate officials said to cope with the situation thoroughly, but the unanimous opinion was expressed that the enforcement operations were being efficiently conducted and were improving daily in results obtained.  
BAND FLOGS WOMAN AND MAN IN TEXAS  
(By The Associated Press)  
HOUSTON, Texas, Jan. 12.—A volunteer whipping band at Goose Creek, an oil town near here flogged Mrs. R. H. Harrison, 39, of Goose Creek, and R. A. Armand, 28, Friday night it was learned today. Mrs. Harrison is still confined to bed.  
Mrs. Harrison it is understood was separated from her husband several months ago. She said today that a party of men "dressed like women" went to her home while Adam was talking with her and her little daughter, took them out while her little daughter was screaming, flogged Armand mercilessly, then cut off her hair and beat her.  
DEATH PENALTY FOR USE OF WEAPONS IN ROBBERY  
Denver, Colo., Jan. 12.—The penalty for robbery with dangerous weapon would be punishable by death or life imprisonment under the terms of a bill introduced in the Colorado house of representatives today. The jury under the bill, would determine whether the weapon employed in a robbery was "dangerous" and if the robber would have killed his victim if the victim had resisted.  
BANDITS STEAL LAUNDRY PAYROLL  
St. Louis, Mo., Jan. 12.—Three bandits this afternoon held up the manager of the J. Arthur Anderson Laundry company and escaped with \$3,500 of payroll money. The holdup occurred in front of the laundry company, which is located in the central part of the city.  
THE DAY'S EVENTS IN WASHINGTON  
(By The Associated Press)  
Free seed provision was barred finally from the agriculture bill.  
British and American debt commissions again met to discuss the British war debt to the United States.  
House appropriations committee approved a \$7,000,000 item for further government development of Muscle Shoals.  
Annual army bill was reported to the house making provision for maintaining the army at its present strength.  
Representative Upshaw of Georgia visited prohibition headquarters to present evidence supporting his charges of drinking in high places.  
It was authoritatively stated that the Washington government saw no way in which it could at present make an effective suggestion in the crisis in Europe.  
Prohibition bureau officials showing only mild interest in reports of extensive rum running operations on the New Jersey coast requested a report from its representatives in that locality.  
President Harding nominated D. R. Crisinger of Ohio as governor of the federal reserve board, James G. McNary of New Mexico, as comptroller of the currency and Milo D. Campbell as the "dirt farmer" member of the reserve board.  
The bill providing for a re-grading of officers of the coast guard service was signed by President Harding.

ST. MIHIEL WILL RESEMBLE NOAH'S ARK WHEN IT SAILS

Troops Want to Bring Home Many Queer Animals

(By The Associated Press)  
COBLENZ, Jan. 12.—The American transport St. Mihiel will look a good deal like Noah's ark when she sails from Antwerp with the last of the American forces in Germany if the officers and men are allowed to carry all the queer animals and merchandise they have accumulated in the idle and fanciful hours of the past four years. The extent and variety of these possessions only began to dawn upon them during their hurried preparations for the homeward journey and some are expressing the fear that their menageries will have to be left on the Rhine. The men have acquired many strange creatures ranging from monkeys to Rhine fish. The exact number of German police dogs in the outfit is unknown, but they are multitude, and there are numerous dachshunds, turtles, monkeys and song birds.  
Of the inanimate objects there are queer little music boxes fixed in the bottom of beer steins that when properly worked make noises like birds. There are wicker collections of postal cards, antique pictures and all varieties of carved pipes and great supplies of carpets and civilian clothes, the latter including queer shaped hats and silk underwear bought at ridiculously low prices in Cologne with furs and other odds and ends.  
All these are intended either as gifts to the home folks, or, in the cases of those men who have married while on the Rhine to lend comfort to the new homes they are planning in the United States, as only a few expect to remain in the army after their return.  
But getting all this duffalo aboard the St. Mihiel has become a great problem.  
"You fellows seem to have the idea," one top sergeant told his men this morning, "that the old boat is just going to steam right up the Rhine, back up to the bank and let you drag your truck on board."  
NORTHWESTERN TO BUY 3,000 NEW CARS  
(By The Associated Press)  
CHICAGO, Jan. 12.—William H. Finley, president of the Chicago & Northwestern railroad today announced an appropriation of \$7,000,000 for the purchase of 3,000 freight cars. The order will be given to three companies, the American Car & Foundry company, the General American Car company and the Western Steel & Car company, all in or near Chicago.  
This is one of the largest single car appropriations for 1923 and makes a total expenditure of approximately \$22,000,000 by this company for new equipment in the last thirteen months.  
Previous to today's order the company had bought 100 locomotives, 5,150 freight cars and 100 passenger coaches.  
Today's contract calls for early spring delivery.  
KANKAKEE MAN KILLED BY GAS  
Kankakee, Ill., Jan. 12.—Henry E. Volkman, wealthy retired jeweler was killed by gas escaping from his automobile engine his afternoon while working on the car in a closed garage at his home. Mrs. Volkman, returning from a shopping trip, heard the engine of the automobile running and when she went in search of her husband was unable to open the garage door. She summoned her son who broke open the door and found Volkman lying beside the machine dead.  
WOULD RAISE PRICE ON MARRIAGE LICENSES  
Lansing, Mich., Jan. 12.—Dan Cupid is the latest victim of searchers for revenue sources in Michigan it was learned today.  
A bill is proposed to increase the marriage license fee to \$1, half of which would go into the general fund for the support of the bureau of vital statistics.  
Rumor has it that Alex J. Groesbeck, Michigan's bachelor governor, suggested the levy against Cupid's industry. It would yield about \$55,000 annually.  
TEMPERATURE IS 61—TOPEKA FRIDAY  
Topeka, Kans., Jan. 12.—The temperature in Topeka today reached 61 degrees at 3:30 o'clock the highest temperature ever recorded for this date since weather records have been kept in Topeka. It was 21 degrees above normal.

Rome, Jan. 12.—The minister of war has called to the colors the recruits of the second class of 1902 residing in all the countries of Europe and along the Mediterranean excepting Russia.

First Day Taken Up With Conferences

(By The Associated Press)

DUESSELDORF, Jan. 12.—The first day of the occupation of Essen was taken up practically in obtaining contact between the French economic missions and representatives of the German coal mine operators and steel mill managers with a view to finding a basis of cooperation in the working of the Ruhr industries.  
Conferences between M. Costa, French inspector general of mines, General Denville, superintendent of iron and steel plants, and representatives of German industries were held both in Duesseeldorf and Essen. The Essen conference was attended by delegates from both the Krupp and Thyssen plants.  
Both sides were non-committal regarding the results achieved, but the feeling was expressed tonight by the Germans, and not denied by the French that the entire success of the French occupation from the economic viewpoint depends upon the cooperation of the existing German organism if they decide to refrain from operating the entire structure of Ruhr industries will break down.  
"The French apparently were loathe to admit it but seemingly realize that they failed to grasp the magnitude of the economic operation and that their technical, financial and economic efforts are not sufficient to carry out their share of the work as effectively as the military accomplished theirs. From French sources it is announced that the coal operators and other industrialists attending the Essen conference are prepared to disregard the Berlin government's ruling that they must discontinue making deliveries in kind to France, Belgium and Italy on account of reparations. Notwithstanding this good will the Germans desire to know whence payments for deliveries will be forthcoming since the Berlin government no longer is prepared to meet them. They will continue deliveries it was said but they must be guaranteed payment by France.  
Paul Tyraid, of France, president of the inter-allied Rhineland commission in accord with Baron Jacquemain, Belgian member of the commission, has sent out a circular to all German functionaries in the occupied territory of the Ruhr informing them that they are liable to the penalties prescribed by the rules of the commission if they carry out the instructions from Berlin and fail to make deliveries in kind.  
M. Tyraid's decision was based upon the German government's failure to submit its ruling for the discontinuance of deliveries for the approval of the inter-allied commission before the ruling was promulgated.  
Berlin is compelled to do this before any new edict or ruling can be enforced in the occupied zone. The French officially deny that there is any intention to occupy Bochum, center of the great Stinnes industries, but the Stinnes managers there say they expect occupation to be a matter of only days. The documents and account books are being removed.  
The French soldiers are obeying the order to avoid moving about on the streets.  
The German population is orderly and quiet if somewhat sullen.  
DRAWING OF FIRST BONUS BLANK WILL BE JANUARY 24TH  
Ceremony to be Most Elaborate Function Since the War  
(By The Associated Press)  
SPRINGFIELD, Ill., Jan. 12.—The ceremony of drawing the first soldiers' bonus blanks from the huge piles already forming at the headquarters of the service recognition board, was set this morning for the afternoon of Wednesday, January 24, according to announcement of Adjutant General Black.  
Plans sketched by the general indicate that the ceremony will be one of the most elaborate state functions since the war. Moving picture machines have already been arranged for to record the details. Both houses of the state legislature will participate, and the American Legion and other veterans organizations, and the Gold Star Mothers.  
The very first application will be drawn from the pile by Governor Len Small. He may pick out the application of a "private from the rear rank" or that of a general. Every service man or woman of the World War, or beneficiaries who act promptly and return their applications to the service recognition headquarters will have an equal chance in being the person whose blank the governor will draw. After the governor's drawing, successive blanks will be picked by the following persons, in this order: Lieutenant Governor Fred Sterling.  
Senator Richard J. Barr, Joliet, president pro tem of the senate, David Shanahan, Chicago, speaker of the house.  
Charles W. Schick, Chicago, department commander of the American Legion.  
A Gold Star Mother.  
Adjutant General Carlos E. Black, of the Illinois National Guard.  
State Treasurer Oscar Nelson.  
A little girl in white—daughter of a veteran.  
This ceremony will be in the spacious hall of the service recognition board headquarters, which last month was a dance hall. Under the direction of Captain Palmer D. Edmunds, chief clerk of the board, big bundles of bonus blanks have been sent to all posts of the American Legion in the state, and to all posts of the Veterans of Foreign Wars, and to all county clerks.  
Blanks may be obtained from any of these, and also of the Spanish American War Veterans posts, which have volunteered their services in aiding the World War veterans. That bonus applicants generally are acting very promptly is seen by the volume of mail coming to the recognition board, nothing but applications.  
Queer requests continue to reach Captain Edmunds. Today one letter asked that he inform the writer how to get a job in an insane asylum.

DEFENSE PUTS 29 WITNESSES ON THE STAND YESTERDAY

Will Not be Able to Complete its Case Until Monday

(By The Associated Press)  
MARION, Ill., Jan. 12.—Twenty-nine impeachment witnesses, the largest number heard any day since the opening of the Herrin riots trial, were put on the stand by the defense today in the hope that it would be able to rest its case before the court adjourned over Saturday and Sunday.  
At the close of the session the defense counsel announced that they still had a score of witnesses to be called and would not be able to complete the presentation of their evidence until Monday when the state is prepared to begin its rebuttal.  
A. W. Acker, chief counsel for the defense also announced he would be ready to proceed with the next case growing out of the riots, the trial of 18 men, including the five defendants in the present case, charged with the murder of John Shoemaker, one of the twenty non-union men slain during the outbreak, immediately after this trial ends.  
Sixteen of the witnesses heard today were called on in an effort to impeach the testimony of George Nelson, a farmer, who testified for the state that he had seen Otis Clark, one of the defendants, and Oscar Howard who is under indictment, lead C. K. McDowell, superintendent of the Lester "strip" mine away from a crowd that took the non-union workers from the pit to the spot where McDowell's body was found later.  
Four of these witnesses asserted that Nelson had told them he did not recognize anyone in the crowd as it passed his house.  
Twelve witnesses testified that Nelson's reputation for truth and veracity was bad. On cross-examination one witness said that he did not understand the meaning of "veracity" and practically all of them asserted that they had discussed their testimony with the Rev. W. E. Pike, a minister and preacher. One said he had been opposed to Nelson in a church dispute.  
FATHER OF FORMER I. C. ATHLETES DIES  
Charles P. Daigh of Perry Passes Away at Our Savior's Hospital Friday Evening.  
Charles Percy Daigh, life long resident of Perry, Pike county, died at Our Savior's hospital at 6:40 o'clock Friday evening, following a serious operation which it was hoped would save his life. The operation was performed Thursday morning and Thursday night Mr. Daigh spent a very restless night. Friday he seemed less agitated, but took a bad turn toward evening, and his family were summoned. With the exception of his son Fred, who is a student at Illinois college, they arrived after his death.  
Mr. Daigh was born at Perry, November 5, 1869. On December 19, 1895 he married Miss Nora Chenoweth. Four sons, Percy H., James L., Fred C., and David F., were born to the union. The first two were known as athletes during their stay at Illinois college a few years ago.  
Mr. Daigh's mother, Mrs. Margaret Turner Daigh, widow of Harrison Daigh survives him.  
There are also the following brothers and sisters: Harry L. Daigh, Perry; Joe Daigh, Perry; Clarence Daigh, Los Angeles; Russell Daigh, Ashland, Kansas; Mrs. Nellie Dorsey, Perry; Mrs. Marie Hannant, Perry; Miss Grace Daigh, Perry; Mrs. Essie Pratt, Danville; Mrs. Louise Reineke, Summerville, California, and Mrs. Lillian Marshall, Nora, Ill.  
Mr. Daigh was a member of the Perry Christian church, a Mason, and a respected citizen in Perry, where he devoted himself to farming and to the hardware business, each for a period of years. The body was removed to the Gilham Funeral home, whence it will be shipped over the Wabash at 6:43 this evening to Perry where funeral services will be held and interment made.  
BRITISH WOULD SELL COAL TO GERMANY  
Berlin, Jan. 12.—The Bourse Gazette prints an Essen despatch saying that several German industrialists including Hugo Stinnes and August Thyssen have been approached by a group representing British coal firms regarding the possibility of obtaining credit for the purchase of English coal in order to mitigate the consequences of the French seizure of the Ruhr.  
Frank Rexroat was a business visitor in Jacksonville yesterday from Concord.  
Oliver Cromwell from east of town called on local merchants Friday.

IDENTIC NOTES ARE HANDED TO BELGIUM AND FRANCE FRIDAY

Decision of Commission Gives No Basis for Invasion

(By The Associated Press)  
BERLIN, Jan. 12.—Replying to the Franco-Belgian communications notifying Germany of the impending occupation of the Ruhr the government today handed identic notes to the French ambassador and the Belgian minister declaring the decision of the reparations commission and the stipulation of the Versailles treaty mentioned in the communication contained no legal basis for action in the Ruhr region, which is described in the notes as a violation of international law of the Versailles treaty. Arguing that the defaults in timber and coal only justify a demand for cash payment, the German reply continues.  
The German government maintains that only financial and economic measures within the territory under jurisdiction of the entente are permissible but not such measures as the present invasion of troops and civil officials. Germany further holds that measures against her according to treaty can be taken only by common action of the allied powers.  
"Germany solemnly protests this violence against a defenseless nation."  
"Responsibility for all the consequences which made the invasion of the Ruhr inevitable are manifested in a further fall of the mark and an enormous increase in prices of all commodities."  
"So long as this situation exists and its actual consequences are not removed Germany cannot fulfill her obligations toward the powers which brought them about."  
POLICE PROHIBIT HOLDING OUTDOOR DEMONSTRATIONS  
Fear Proposed Sunday Meeting Might Cause Trouble  
(By The Associated Press)  
BERLIN, Jan. 12.—In the fear of possible disturbances the police have prohibited the holding of an open air demonstration of protest against occupation on Sunday in Berlin.  
They will allow demonstrations to be held in enclosed places, such as gardens, schools and playgrounds. Disturbing reports emanate from Munich. A crowd said to have made a demonstration at the hotel where the entente control commission is lodged on Herr Zittler, leader of the Bavarian Socialist, addressed a mass meeting in which he denounced the French and the socialists.  
The Deutsche Zeitung's Munich correspondent declares Bavaria is on the eve of a great national movement.  
LITHUANIANS DENY REPORTED INVASION  
PARIS, Jan. 12.—The Lithuanian delegation here has sent Premier Poincare as president of the council of ambassadors a note declaring that the report of preparations by Lithuanian irregulars to occupy Memel is unfounded and that the Lithuanian government has taken measures to prevent any passage of the frontier.  
The note said that the trouble at Memel reported in various despatches was due to an uprising of the people against the German control and asked the allies to act to prevent bloodshed.  
ANTI-TIPPING LEAGUE FORMED  
ST. LOUIS, Mo., Jan. 12.—Application for incorporation of the "Anti-Tipping League" was filed in circuit court today. The application sets forth the purpose of organization which includes:  
Abolition of tipping and of begging, even to the chronic borrowing of cigars and establishment of a basis agreement between husbands and wives to eliminate a continual, unreasonable demand of the husband's earnings.  
EXTRADITION PAPERS ISSUED FOR COUPLE  
Chicago, Jan. 21.—Extradition papers were issued by the state's attorney today for the return to Chicago of John C. Niznie and Miss Orrle Cole, arrested in New York yesterday after they are alleged to have tried to dispose of bond coupons stolen here recently when burglars looted the private safe of George F. Harding city comptroller.  
FORMER MAIL CLERKS SENTENCES COMMUTED  
Council Bluffs, Iowa, Jan. 12.—Three former mail clerks recently sentenced to prison by Federal Judge Wade today had their sentences which ranged from one to two years commuted to six months. The men are Chester Starr, Dubuque, Iowa; Leonard W. Bristol, and Arthur H. Kilgore of Council Bluffs.

MORE TIME WILL BE GRANTED FOR GERMAN PAYMENT

Commission Will Extend Time to Feb. 1 at France's Request

(By The Associated Press)  
PARIS, Jan. 12.—The reparations commission (tomorrow will grant Germany a further delay until February 1, in the indemnity payment of 500,000,000 gold marks due next Monday, it was announced in reparations circles tonight.  
The decision will be taken at the request of France. Altho the official reason is to give the French delegation more time in which to prepare new moratorium conditions it is believed the increasing indication of passive resistance by Germany to the French occupation of the Ruhr has much to do with it.  
It has been decided to begin discussion of Germany's request for a moratorium tomorrow and to reach a decision as soon as possible but it is thought in reparations circles that France desires to leave the question of a moratorium in suspense for several weeks more, to see what turn German events may take. There are many reports of the possibility of Premier Poincare arranging a meeting with the Germans, to which would be invited Great Britain, Belgium and Italy and perhaps the United States.  
The purposes of such a meeting would be to try to arrange a settlement with Germany, now that France has seized guarantees which she regards as necessary to the fulfillment of any terms which might be presented to Germany. M. Poincare left the way open when he declined the proposal of Hugo Stinnes, German industrialist, to come to Paris after the breakdown of the recent premiers' conference in an effort to reach a direct understanding between France and the German industrialists.  
If no such meeting develops the reparations commission is expected to grant Germany's a moratorium by a majority vote some time before the newly granted delay expires. A general outline of the new French plan for a moratorium was circulated privately today.  
It provides for a two year moratorium, with the following conditions:  
First—An internal loan of gold marks to be used partly to stabilize the mark and partly to make certain restricted cash payments during the life of the moratorium.  
Second—An internal loan of German paper marks must also be raised with the purpose of meeting reduced deliveries of merchandise during the moratorium and also to meet the cost of army occupation.  
Third—The budget to be balanced.  
Fourth—Comprehensive control of Germany's international finance to be exercised by a committee of guarantees sitting permanently in Berlin. This control to be about the same as outlined in the French plan of January 2.  
Fifth—Maintenance of the present position in France in the Ruhr as a guarantee of good faith in the carrying out of the conditions.  
Sixth—Further penalties to be applied if Germany fails immediately to consent to execute the conditions of the moratorium. These penalties would consist in complete occupation of the Ruhr basin and an extension of the customs cordon to territory considerably to the east of the Ruhr.  
The new plan is described as being a decided modification of the French position regarding reparations but it is taken for granted in reparations circles that there is not the slightest possibility that France will give up her present position in the Ruhr until Germany at least has carried out the conditions of any moratorium that may be granted.  
WILL MAKE NO REPLY TO GERMAN PROTEST  
Washington, Jan. 12.—The American government will make no reply to the German protest against the French movement into the Ruhr, it was said today at the white house.

## A THOUGHT

Fear God, and keep his commandment, for this is the whole duty of man.—Ecclesiastes 12:13.

The first condition of goodness is something to love; the second is something to reverence.—George Eliot.

In Chicago the street railway has just placed an order for 212 cars, which does not look as if the growth of the motor bus industry offers anything alarming to the railway managers. It is indicative too of the difficulties of the railway business that the street cars now cost \$16,000 each by comparing with a price of less than \$6,000 in 1914.

The Rock Island railroad has decided to abandon the use of coal on its Oklahoma and Arkansas lines. It will burn oil instead. This will mean a less consumption of coal by 650,000 tons a year. It is easy to understand that when a few more railroad systems carry out the same policy that there will be still less need for the number of miners now employed in that industry.

It is because of the great increase in the amount of matter used with reference to divorce cases and personal family affairs in the average newspaper, that the action of a Grand Rapids paper in eliminating such matter is attracting widespread comment and commendation. The paper is the Grand Rapids Free Press and the publisher, Edwin W. Booth, believes that a paper can succeed and still not publish all of this objectionable matter.

Certain it is that if a majority of the papers would follow this policy, that a great deal of reading matter which is injurious to the public mind as a whole would disappear.

The Illinois Agricultural association is to hold its annual meeting in Chicago next week. While the work of the organization during the past year will not prove satisfactory to all of the delegates, a record which will please most of them can be shown.

The association can be commended for influential work in tax reduction, and while some of the efforts at co-operative marketing have not been wholly successful, the association has benefited farmers and has a definite program of helpful work. At least part of the program can be accomplished if the members of the association increase their co-operative spirit instead of permitting themselves to disagree on some minor policies.

Up in Wisconsin where a great deal of "extreme" legislation is inaugurated, it is now proposed to levy an unemployment tax. This means that the employer who fails to give his employee continuous work will pay the employee a certain percent of his regular wages during the period of his unemployment.

While there is a sense of justice in this proposal it would be extremely difficult to work out any plan which will not be subject to the whims and disposition of some employee. In other words, there is the human element to be taken into account, and that cannot be worked out in tables of figures as they do in fixing insurance rates.

If anyone doubted the interest of ex-service men in the state bonus proposal and the desire of these men to share in the benefits, these doubts would have been dispelled at American Legion hall last night. The more announcement that application forms had been received and that a clerical force would help in filling them out brought a crowded house.

Hundreds of the men who had part in the world war filled out these application forms. If the speedy work of last night is continued, all of Morgan county's ex-service men will have their applications on file before the end of another week comes.

## SAD LIVES

By Berton Braley

THE people who live in an underwear ad  
 Must have an embarrassed career,  
 They're forced to go 'round pretty nearly unclad  
 Except for some underwear sheer.  
 Or woollens, of course, when the weather is bad  
 Along at this time of the year.  
 And dressed in such fashion—it's quite negligible,  
 They have to go forth to their work or their play.

AND then there's the case of the hostess maid,  
 A who's seldom permitted to dress,  
 But who has to be more or less lightly arrayed  
 (It couldn't be very much less)  
 In order that hostess may be displayed  
 In all its luxuriousness.  
 (Poor girl, though she's pretty and dainty no doubt,  
 She's kept in her boudoir and never let out.)

BUT saddest of all is the life of the woman  
 Who lives in the bath night and day,  
 In order that pictures of her may illumine  
 The ads which the plumbers display.  
 For all that she wears—it is rather inhuman,  
 Is simply a mantle of spray.  
 Observing these unlucky people, I'm glad  
 That I do not live in a magazine ad!

ly want to do is act in the movies? I am getting well into the thirties. The bloom is leaving my cheeks. I try to be practical and sensible. But by keeping my ears open and my mind busy figuring things out, I learn that I am in much the same boat as every one else. No one seems able to do what they want to do. Why is this?"

To this girl clerk, we answer: The question you ask has been asked by every grown-up since humanity began to exercise its power of reasoning. And there seems to be no answer, except that fate or destiny has much to do with our careers.

George Ade, who is such a genius as a genial satirist that future generations will study his fables in slang as our generation studies "Rabelais," always wanted to write "heavy stuff." Maybe you remember the American Hagazine interview with George, in which he expressed his bewilderment because he seemed forced to write humor instead of philosophy or tragedy.

Another case is Eddie Foy, comedian, whose foremost ambition always was to play Hamlet. The reader will apply it to himself—to the thing he wants to be, the life he wants to live, but cannot. It is as if invisible hands of destiny thrust you away from culmination of ardent desire.

The trail, as always in philosophy, leads nowhere. Common sense brings most of us a certain degree of contentment by making us realize that we probably are doing what we were intended to do.

You see an able lawyer, proud of his ability to repair a clock. He says: "I was cut out to be a 'fine mechanic.' Deep in his heart he knows he is 'kidding' himself—that law is his natural field.

This law, however, holds good only when we are definitely established in the rut through which we are destined to spend most of our mature years.

Often we are doing the wrong kind of work and yearn for something else. If fitted for the something else, ambition will make us find a way to get into the line we like.

When it comes to day-dreaming, to things we yearn for but are unwilling or unable to attain with our powers, we generally are like vaudeville actors as booking agents describe them. "When they can sing they want to dance. And when they can dance, they want to sing."

Mr. and Mrs. R. M. Varley of Beardstown made a trip to the city Friday and spent the day shopping and calling on friends.

## OLLIE PARKER GIVEN IMPORTANT POST

Has Taken Managerial Position With LaCrosse Lumber Co. in Louisiana, Mo. — Charles Wright Will Be Manager of Local Yard.

Ollie Parker, who has for a number of years been the manager of the local business of the LaCrosse Lumber Co., has recently been appointed to an important position in the company's service at Louisiana, Mo. The death of Mr. Angle, who was long associated with the company, made the vacancy to which Mr. Parker has been named.

The LaCrosse Co. owns thirty-two lumber yards and in his new work Mr. Parker is interested in the management of all of these yards.

Mr. Buffum, president of the company, is soon to leave for an European tour and selected Mr. Parker for this managerial position almost on the eve of his own departure.

The many friends of the Parker family will be glad to know that for the present at least they will continue to be residents of Jacksonville. Mr. Parker has already entered upon his duties at Louisiana.

The management of the Jacksonville yard is to pass to Charles Wright, formerly of Murrayville, and who has been residing at Fayette, Mo. Mr. and Mrs. Wright who are well known to many Morgan county people, will arrive in Jacksonville the coming week.

## SPANISH WAR VETS IN REGULAR MEETING

Make More Plans for Coming State Gathering Here at Session Friday Evening—Urge Veterans of Three Wars to Join Organization and Help Push Bills Through Congress.

The regular meeting of the local post of Spanish War Veterans was held Friday evening in the Chamber of Commerce headquarters. A majority of the members were present. Most of the time was occupied in a discussion of the coming state convention of Spanish War Veterans to be held in this city June 14, 15 and 16.

It is again urged by this camp that all men who served in the war against Spain, the Philippine insurrection, or the Boxer uprising affiliate with the camp, as there are bills now pending in the national congress especially beneficial to these classes of veterans, and the organization feels the need of added strength to bring about the passage of these bills.

Plans were completed at the meeting Friday evening for a large increase or the membership in the local post. This is to be accomplished mainly by establishing outposts in the surrounding towns, where there are a number of Spanish war veterans who are not affiliated with any post.

## KITCHEN SHOWER FOR WINCHESTER BRIDE

Mrs. Corleyou McLaughlin is Guest of Honor at Social Function Friday Evening—Other Winchester News.

Winchester, Jan. 12.—Misses Mary Hamilton, Mabel Martin and Lois Welch entertained a number of young people at the home of Mr. and Mrs. Herbert Shill Friday evening. The affair was a kitchen shower and was planned in honor of Mr. and Mrs. Corleyou McLaughlin, who were recently married. The young people received a large number of very useful gifts for their new home. Games were enjoyed during the evening and delicious refreshments were served at a late hour.

John Coe and daughter, Lucy, were visitors in St. Louis this week.

Mr. and Mrs. Chester Page of Bloomington were visitors in Winchester Thursday and Friday. Mrs. Page will be remembered as Miss Bessie Welch before her marriage.

## Y. M. C. A. BOARD GAVE DINNER FOR FINLAY

Resolution Passed Expressing Appreciation of Retiring Secretary's Work.

The members of the board of directors of the Y. M. C. A. gave a dinner last evening at the Dunlap hotel in honor of Secretary J. S. Finlay, who has resigned his position here to take up work elsewhere. A six o'clock dinner was served and matters of business were discussed following the dinner hour. H. J. Rodgers, president of the board, presided at the business session. The other members of the board who were present were William Brady, Joshua Vasconcellos, L. B. Turner, E. Spink, W. B. Rogers, W. G. Goebel, W. E. Spoons and A. D. Fairbank.

At this meeting the directors after making personal mention of their appreciation of the work done by Mr. Finlay, adopted the following resolution, which was submitted by a committee including Rev. W. E. Spoons, W. J. Brady and W. G. Goebel:

"Whereas J. S. Finlay has been an earnest, faithful worker in the Lord's cause in our community as the Y. M. C. A. secretary but not confining himself to that field alone, but connected with every interest that was for the welfare of the whole community, and whereas we have had very few men who have made their life count for more in the comparatively brief period of seven years during which he has lived in Jacksonville,

"Therefore we would commend Mr. Finlay for

1. His unselfish and faithful work as secretary of the Y. M. C. A. and also for his untiring efforts in the war work.

2. His most excellent work with one of the very finest organizations in the city of Jacksonville, namely the H-Y club, which started with a membership of just a few new members 120 of the most promising young men in our high school.

3. His work in connection with the state work, conducting himself so as to gain the highest regard of all the state workers.

4. His work in the Sunday schools in Morgan county. Mr. Finlay will be greatly missed by the whole county in this particular field of work.

We would hereby express our sorrow at Mr. Finlay's going away and we would commend him to God's people wherever he may cast his lot. Our prayers and best wishes follow him, and may God's love and care go with him and his wherever they go.

Mr. and Mrs. Grover Vasey were in yesterday from west of the city.

Ernest Irlam and daughter Evelyn were Friday callers in the city from Patterson.

## BARRETT IS HELD ON MURDER CHARGE

MAN WHO SHOT MRS. PEMBERTON AWAITS GRAND JURY ACTION.

Witnesses Tell of Threats Made by Woman's Assailant—Barrett Acts Queerly and Shows No Remorse.

A jury which heard the evidence in the inquest held by Coroner Rose over the remains of Mrs. Asa M. Pemberton found that Herman E. Barrett was responsible for her death. The jury recommended that Barrett be held to the grand jury without bail.

The inquest was held at the Gillham Funeral Home, the witnesses examined by the jury including Mr. Pemberton, husband of the slain woman; Charles Magill, Charles H. Settles, Chief of Police Kloran, Charles Tomlinson and Mrs. Anna Beal.

The written testimony of Dr. H. C. Woltman was also presented to the jury. The facts brought out concerning the murder of Mrs. Pemberton by Barrett in the yard of her home on Henry street Thursday night were given as already published in the Journal.

The evidence gave proof that Barrett had been acting strangely for a number of days and also made it clear that he intended to fire the shot which brought the end of life so suddenly for Mrs. Pemberton. Thus far Barrett has shown no signs of remorse for his crime.

The jury in addition to holding Pemberton responsible for the crime made recommendation with reference to the sale of firearms. The language of the verdict was as follows:

"We find that the death of Mrs. Margaret Pemberton, 627 Henry street, Jacksonville, Illinois, was due to hemorrhage caused by a gunshot wound from a .38 calibre revolver held in the hands of Herman E. Barrett with murderous intent. We recommend that said Herman E. Barrett be held to the grand jury without bond for the death of Mrs. Margaret Pemberton.

"We further recommend that all dealers in fire arms keep a strict record of their sales, and furnish the police department with these records and a description of the purchasers."

The jury was composed of William Batz, foreman; Carl Graubner, C. H. Howard, Charles L. Mathis, Amos May and Frank Sullivan.

**LEGION HALL ALIVE  
WITH BONUS SEEKERS**

Hundreds of Ex-Service Men  
Crowd Headquarters Friday  
Evening to Fill Out Application  
Blanks — Refreshments  
Served by Local O.P.S.

Fully five hundred ex-service  
men of Jacksonville and community  
crowded the American Legion  
headquarters Friday evening to

fill out their applications for the  
state bonus money. Ten stenog-  
raphers were kept busy making  
out the questionnaires; while  
Miss Bess Hadden, C. P. Sieg-  
fried and H. A. Williamson served  
as notaries.

The American Legion courte-  
ously extended the use of its quar-  
ters for this purpose, and during  
the evening refreshments of hot  
chocolate and cakes were served  
to all who visited the hall. The  
work began at 7 o'clock and con-  
tinued for several hours. Many  
ex-service men from out of the  
city took advantage of the oppor-  
tunity to fill out blanks.

C. M. Kahl, commander of the  
local post, will deliver the appli-  
cations filled out last night to the  
head offices in Springfield today.  
Mr. Kahl will go in person and  
turn over the more than five hun-  
dred questionnaires to the state.

As soon as the state can sell  
the bonds, the boys will get their  
bonus, which amounts to fifty  
cents a day for every day spent  
in service, to a maximum of three  
hundred dollars.

Employees are Raising Fund to  
Purchase Equipment of Latest  
Design—Gave Dance Last Night  
with Good Results

Employees of Jacksonville State  
hospital are raising funds to pur-  
chase a radio outfit, to be in-  
stalled in the main building, prob-  
ably in the amusement hall. A  
benefit dance was given Friday  
evening which was largely at-  
tended by employees and their  
friends, and a considerable sum  
was added to the fund, which al-  
ready totaled \$63.30.

It is expected that the outfit  
will cost about \$300 complete. It  
will be of the latest type, with  
loud speaker and equipped for a  
long range of listening in.

Various methods are being used  
to secure the funds. The em-  
ployees among the ladies are sell-  
ing candy and sandwiches. Some-  
time next week a picture show  
will be given at the Rialto to aid  
the fund. Such a device at the  
state hospital will add much to  
the enjoyment of both employees  
and patients at the institution.

**BETTER THAN CALOMEL**  
Thousands Have Discovered  
Dr. Edwards' Olive Tablets  
are a Harmless Substitute

Dr. Edwards' Olive Tablets—the sub-  
stitute for calomel—are a mild but sur-  
e, and their effect on the liver is  
almost instantaneous. These little olive-  
scented tablets are the result of Dr.  
Edwards' determination not to treat  
liver and bowel complaints with calomel.  
The pleasant little tablets do the good  
that calomel does, but have no bad after  
effects. They don't injure the teeth like  
strong liquids or calomel. They take  
out of the trouble and quickly correct  
it. Why cure the liver at the expense of  
the teeth? Calomel sometimes plays  
 havoc with the gums. So do strong  
liquids. It is best not to take calomel  
and Dr. Edwards' Olive Tablets take  
its place.

Bodaches, "colic" and that lazy  
feeling come from constipation and a  
disordered liver. Take Dr. Edwards'  
Olive Tablets when you feel "lousy" and  
"heavy." They "clear" clouded brain  
and "perk up" the spirits. 15c and 30c

Activity — Officers and Direc-  
tors Chosen.

The first annual meeting of the  
Literberry Shipping association  
was held Friday afternoon at  
Murry's implement store in Liter-  
berry. The meeting was well at-  
tended and the association is in a  
flourishing condition, according  
to reports made.

The officers re-elected were as  
follows:  
President—W. H. Crum.  
Secretary and treasurer—Earl  
Rexroat.

Manager—Earl Rexroat.  
The new directors chosen were:  
Two year term—Thomas Jewa-  
bury, Harry Petefish.

Three year term—William  
Lindsay, H. D. Crum.  
Holdover directors—W. H.  
Crum, Frank Diwiddle.

The report of the manager in-  
dicated that 17 carloads of live-  
stock have been shipped by the  
association since its organization  
a little over a year ago, the busi-  
ness done totaling \$24,533.54.

Among matters of business con-  
sidered was the purchase and  
erection of a new scale and the  
building of new lots. The presi-  
dent appointed the following com-  
mittee to purchase the scales:  
William Petefish, A. B. Chip-  
man and W. E. Rexroat.

Every indication is for in-  
creased activity among the fifty  
odd members of the association.

TO GIVE CONCERT**

The Girls' Glee club of Illinois  
college will give a concert at the  
high school auditorium on the  
evening of January 25. The con-  
cert will be of especial interest as  
C. E. Westbrook, a prominent so-  
loist of Bloomington, Ill., will be  
present and will give a group of  
numbers on the program. The  
Glee club is directed by Arnold  
Lovejoy and includes thirty-three  
active members.

The program for the concert in-  
cludes a number of selections by  
the Glee club, a group of duets by  
Mr. Westbrook and Mr. Lovejoy,  
and solo numbers by Mr. Lovejoy.  
Some of the numbers on the pro-  
gram are to have an accompani-  
ment of six violins from the con-  
servatory orchestra.

The committee, which is in  
charge of the arrangements for  
the program includes Misses Vir-  
ginia Spink, Gladys Knapp, Velma  
Lawrence and Ruth Armstrong.  
The Glee club plans to give sev-  
eral concerts in other cities dur-  
ing the season and this committee  
together with Miss Opal Wind-  
miller and Miss Gertrude Curtis  
will be in charge of these con-  
certs and programs.

**KELLOGG'S BRAN**  
gives permanent relief  
because it is ALL BRAN!

With the most dangerous diseases  
close on the trail of sufferers from  
constipation, there's no time to waste  
on foods with a low bran content!  
The one answer to constipation is  
**BRAN that is ALL BRAN!** That's  
why you should eat Kellogg's—and  
eat it regularly; at least two table-  
spoonfuls daily; as much with each  
meal in chronic cases! **KELLOGG'S  
BRAN IS SCIENTIFICALLY  
PREPARED TO RELIEVE SUFFERING  
HUMANITY AS NO  
OTHER FOOD CAN!**

Don't delay a minute! Get started  
on Kellogg's Bran to-day and your  
health will steadily improve and  
bowel conditions return to normal, no  
matter how long you have suffered  
with constipation, mild or chronic.

Remember that Kellogg's Bran is  
not an artificial laxative, but nature's  
own bulk food that acts as sweeper,  
cleanser and purifier. Its work for  
health is wonderful! Besides, bran  
contains the most valuable mineral  
salts and other life-sustaining ele-

ments—it is a blood maker and bone  
and tissue-builder!

Kellogg's Bran, being cooked and  
crumbled, is delicious eaten as a  
cereal, or sprinkled on hot or cold  
cereals. Another happy way to  
serve Kellogg's Bran is to cook it  
with your favorite hot cereal. In  
preparation, add two tablespoonfuls  
of bran for each person, cooking the  
cereal as usual.

You can make the most delightful  
muffins, raisin bread, pancakes, mac-  
aroons, etc., with Kellogg's Bran—  
and it's fine in gravies, soups and  
purees.

The big thing is to get started on  
Kellogg's Bran quickly—for the  
sake of the health of your entire  
family—AND SERVE IT REGU-  
LARLY! First-class hotels and clubs  
serve Kellogg's Bran in individual  
packages. Ask for it at your res-  
taurant!

**New Lamp Burns 94% Air**

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, J. L. Johnson, 669 West Lake St., Chicago, Ill., is offering to send a lamp on 10 day's FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.—Adv.

**TOOLE JUMPS INTO THICK OF CONTROVERSY**

NEW YORK, Jan. 12.—John T. Toole, president of the International League, jumped into the thick of the major-minor draft controversy today with a statement charging that "defenders of the one-sided legislation recently passed by the National and American leagues, either were ignorant, were being misquoted or were trying to deceive the public as to the action on the increased optional player limit taken by the minor league's association at Louisville."

"The one-sided legislation," referred to the joint major league decision increasing the optional player limit from 8 to 15 and attaching the draft string to all players released to minor league clubs after January 10. The majors have defended this move on the ground that the minors violated the joint agreement of 1921 by refusing to consider the optional player increase at their last meeting.

"The National association did not pass a resolution declining to pass on proposed amendment to the major-minor league agreement," Mr. Toole's statement said. "What the minors did not do and the reasons for it are as follows:

"After months of negotiation the major-minor league agreement was signed at Chicago on January 14, 1921. It provided that each major league club could send out eight players and no more on optional agreement. Less than six months later the major leagues, admittedly sending out more than eight optional players, asked the minor leagues to overlook their violation and permit them to continue for 1921 on the plea that they had so many players on hand they could not live up to what they had agreed to after much thought in January in 1921.

"Did the minors raise loud cries against the majors? Not at all. On Commissioner Landis' assertion that it would not occur after 1921 they decided to overlook the violation for that year.

"In 1922 the major leagues voted to raise the number of optional players from 8 to 15. The minors voted 'no' on that. If Commissioner Landis says that the majors lived up to the rules and sent out only eight optional players each in 1922, everyone will believe it also it is common talk in baseball that the rule was not observed by all clubs.

"At Louisville the secretary of the national association read a proposal submitted to the advisory council, on which he is one of our representatives which if later approved would raise the optional player limit to 15 and the number of players that could be owned by each big league club in the off-season from 40 to 50.

"The national association unanimously voted to reject this suggestion and having voted to have 8 instead of 15, the optional player limit three times in two years it went further and said it would not vote on any proposed changes to these particular features of the agreement until the next annual meeting.

"The major-minor league agreement says that amendments to it from time to time be proposed by the advisory council.

**JOHNSON WINS FROM BRENNAN**

Young Iowa Sensation Defeats Veteran Fighter Decisively—Bout Goes Full Fifteen Rounds.

NEW YORK, Jan. 12.—Floyd Johnson, sensational Iowa heavyweight, decisively defeated Bill Brennan, Chicago veteran tonight in a 15 round contest at Madison Square Garden. Johnson received the judges' decision after out-fighting and out-boxing his rival all the way.

It was the acid test for Johnson and his victory over the battle-scarred Chicagoan put him in the front rank of contenders for the title held by Jack Dempsey. Ring critics were agreed that the form shown by the young Iowan was the most impressive of any pugilist who has appeared on the heavyweight horizon in some time. Johnson, realizing that his championship aspirations were at stake, set a furious pace from the start. He directed a smashing attack to the head and body and had Brennan in distress in several rounds, notably the twelfth and fifteenth. His eagerness cost him several chances to put over what might have been a decisive blow.

Brennan weathered the storm of his young opponent's attack largely because of ring generalship and apparent good condition. He was unable to carry on any kind of an offensive.

Three former champions, Jess Willard, Jack Johnson, and James J. Corbett witnessed the bout. Willard was given a tumultuous greeting.

Round One—Brennan rushed Johnson at the start but the Iowan countered with his left, landing several stiff jabs to the jaw. Both mixed willingly with Johnson landing the cleaner blows.

Round Two—Johnson took the aggressive and both landed hard body blows at close quarters. Johnson shot over a hard right to the ribs and Brennan countered with a left hook to the chin. They were mixing furiously as the bell rang.

Round Three—Brennan punished Johnson about the body during a session of infighting but was shaken with two successive left hooks to the jaw. Both missed wild swings and Brennan connected with a right swing to the head. A right uppercut momentarily staggered Johnson.

Round Four—Johnson shot over two jolting rights to Brennan's body without drawing a reply. Brennan jabbed with his left to the jaw but was forced to clinch by a smashing right to the head. Johnson forced the Chicagoan about the ring with battering rights and lefts to the head.

Round Five—Brennan absorbed a hard right to the jaw but drove in his left in retaliation. Brennan blocked Johnson's frequent lunges and forced the Iowan to swing wildly.

Round Six—Johnson rocked Brennan with a right smash to the jaw. A stiff right jab to the head opened a cut over Brennan's left eye. Both drove in hard blows to the body and Johnson missed a wild swing with his left.

Round Seven—Johnson sent Brennan back on his heels with a crashing right swing. The Iowan set a terrific pace but Brennan seemed content to stay on the defensive. Blood flowed from cuts over both Brennan's eyes after a swift exchange. Johnson hurt Brennan with hard rights to the body.

Round Eight—Dancing around his opponent Johnson shot in right and lefts to the head and sent Brennan back with several rights to the ribs. Brennan connected with a right hook to the jaw. Brennan absorbed severe body punishment as they exchanged punches at close quarters.

Round Nine—Brennan appeared weakened by Johnson's steady attack to his body and clinched repeatedly. He caught Johnson twice on the jaw with jolting lefts but the Iowan came right back with both fists.

Round Ten—Johnson staggered Brennan with a two fist attack to the head and body. Brennan shot in a right to the jaw and followed with his left but the punches lacked steam. Both swung furiously with both fists for a few moments, Johnson landing effectively with his left to the head and body as the bell rang.

Round Eleven—Johnson drove Brennan back with a terrific right hook and bombarded the Chicagoan about the head. Brennan landed lightly to the jaw while Johnson swung wildly. Johnson was forcing the fighting as the round ended.

Round Twelve—Continuing his furious pace, Johnson showered Brennan with rights and lefts to the head and kept the veteran on the defensive. Johnson had Brennan hanging on as he drove in stiff punches to the jaw and ribs. Brennan was apparently in distress as the round ended.

Round Thirteen—Johnson shook Brennan with a hard right to the body and drew a right swing to the head in reply. Johnson swung wildly several times before connecting with a right to the body.

Round Fourteen—Brennan took the aggressive for a few moments and jabbed Johnson about the head with his left. Johnson swung wildly and took another right to the head. Both appeared tired as the result of the fast pace.

Round Fifteen—Johnson drove in his left to the head and body staggering Brennan with a smash to the ribs. Both landed hard blows to the head. Johnson loosened a terrific attack to the head forcing Brennan to clinch. He sent the Chicagoan to the ropes and battered him with terrific punches to the head.

**ROCKNE MAY HAVE TO WEAR SIGN**

CHICAGO, Jan. 12.—Knute Rockne, noted football coach at the University of Notre Dame, may resort to wearing a sign on his back reading "I've got a job," because of the numerous reports that he plans to leave Notre Dame.

Rockne said here tonight that almost every time he picks up a newspaper he reads a story to the effect that he's under consideration as the next coach at the University of Wisconsin, or Columbia, or half a dozen other major universities.

"I am under contract to Notre Dame and intend to stay there," Rockne said.

His contract will not expire until 1925.

**ILLINOIS WINS SECOND VICTORY**

Defeated Carthage College in Close Game 21 to 18. Game Had Lots of Action But Players of Both Teams Were Off on Baskets.

Coach Harmon's Blue and White tossers chalked up their second victory of the season in a hard fought game Friday evening when they took Carthage College into camp by a score of 21 to 18.

There was lots of action in the game but not much basket shooting. The players of both teams were off in shooting. This was particularly true of Carthage. Had the visitors had any accuracy at all they would have scored an easy victory. They had numberless opportunities, especially Sanderlin who proved to be a whirlwind, playing the floor but could not get his eye on the hoop.

Coach Harmon started Dale and Elder at forwards with Capt. Mellon at center and Jack Roberts and Underwood at guards. Later in the game he sent in Goebel and Hiatt. Jack Roberts played a sterling game on defense. Underwood at back guard played his first game and did some good work. He gives promise of developing into a good man for Illinois. Coach Harmon believes that with the experience of Friday night's game he will play with more confidence and show form in the next game.

Capt. Mellon was not in his usual form last night. The big fellow was going pretty well in the first half but in the second half lost his eye entirely. Dale did some good work as did Elder while Hiatt and Goebel who went in late did not do much. Illinois' main job in the closing minutes of play being to keep possession of the ball.

Illinois' next game will be played here with St. Louis U. a week from tonight. St. Louis played a great game here when Illinois last year, Illinois winning by a narrow margin after a bitter fight. The go this year promises to be another hard fought contest. The score:

**WHITE HALL UPSETS MURRAYVILLE HOPES**

WINS 26-19 for the Tenth Straight Victory of Season—Play Pleasant and Fast.

White Hall, Jan. 12.—White Hall won its tenth straight basketball game, defeating Murrayville here tonight, 26-19. The game was fast and hotly contested. Murrayville had the lead at the end of the first half, 14-6, but White Hall came back in the third quarter, making 14 points while their opponents went scoreless. Only one field throw was chalked up for Murrayville in the second half.

The locals played great teamwork but were off on shooting, missing many easy chances. Wright, of Murrayville, was high scorer, with 5 field and 2 free goals, totaling 12 points. Goode, Keisinger and Hansberger of White Hall each made 4 field goals, the score:

**ROUTT HIGH WINS FROM I. S. D. QUINTET**

Game Hard Fought Thruout—Routt Excelled in Basket Shooting.

The School for the Deaf basketball team went down to defeat by only one point, at the hands of Routt college, at Liberty hall last night. The final score was 22 to 21. The defeat is no disgrace on the I. S. D. side. They had only a week's preparation for the game last night as they were at home for two weeks during their holiday vacation.

One of the principal features of the game was the splendid passing of the I. S. D., and had accurate career shooting been combined with their excellent passing, the I. S. D. might have been on the long end of the score.

The first half ended in 17 to 7, Routt having the lead. In the second half the I. S. D. rallied, and kept fighting until the final whistle blew. The Routt players performed brilliantly in the first half. They did some mighty shooting which the I. S. D. lacked. In the second half the I. S. D. forwards smashed thru the Routt defense which was weakened when Mallen was sent to the showers via the personal foul route. Free throwing was an important factor in raising the I. S. D. points.

For Routt Gebert, Mallen and Norris starred, while Crabbe and Taylor were bright performers for the I. S. D. Crabbe played an excellent game at guard.

# Social Events

## Stess to Club.

Mrs. J. V. Petry of South East street was hostess to the members of the H. H. Embroidery club Friday afternoon at her home. There were thirteen ladies present and the hours were very delightfully spent with sewing. At the close of the afternoon the stess served an attractive luncheon. Among the guests of the afternoon were Mrs. J. F. Fitzgugh, Mrs. Charles Sheppard and Mrs. Ernest Pibbey.

## Victorian Bridge Club.

Mr. and Mrs. F. J. Andrews entertained the members of the Victorian Bridge club last evening at their home on West College avenue. The affair was a pinner bridge and a delicious dinner menu was served at six o'clock. Five tables were set up for cards and the evening hours were very delightfully spent in playing.

## Day Social Circle Met.

Mrs. J. W. Harney entertained the members of the Friday Social Circle yesterday afternoon at her home on West North street. Only two members of the club were present and the afternoon was pleasantly spent in a social way. Refreshments were served during the afternoon.

## ance at I. C. Tonight.

One of the regular student dances will be held this evening in the gymnasium at Illinois college. This is one of the social functions held each month at the college and a large number of students will be in attendance. Music will be furnished by one of the Jacksonville orchestras and the hours of dancing will be from eight o'clock until eleven.

## Orchestra Meets Officers

A meeting of the Jacksonville Orchestra was held Friday afternoon at the home of Mrs. F. J. Heini on South Diamond street. Mrs. C. E. Cole was

elect president of the organization for the year 1923. The other officers named for the coming year were: Mrs. Louis B. Ingalls, vice president; Miss Mary Wadsworth, recording secretary; Mrs. Ralph Duncun, corresponding secretary and treasurer; and Mrs. T. J. Piner, custodian. Mrs. Eleanor Moore was made chairman of the program committee for 1923 and others named on this committee include Mrs. Vorce Bassett and Mrs. J. Weir Elliott.

The program for yesterday was in charge of Mrs. Garm Norbury and she was assisted in presenting the subject by Mrs. Ralph Dunlap. "The Future of Adjustment" was the topic of the program for the day and two plays of Eugene O'Neill, "Annie Christie" and "Beyond the Horizon," were reviewed in an interesting manner as illustrative of the subject. An informal discussion followed the program. The afternoon closed with a delightful social hour during which tea was served by the hostess.

## Pan-Hellenic Society

Organized in Jacksonville. About fifteen fraternity women of Jacksonville and vicinity met yesterday afternoon at the Tea Tray on West State and organized a Jacksonville Pan-Hellenic society. Miss Nora B. Thompson, of the faculty of Illinois Woman's college, was named as president and Miss Louise Fletcher of the high school faculty was made secretary of the organization.

There are twenty fraternities which are members of the national Pan-Hellenic congress and many of these fraternities have members in Jacksonville and the surrounding communities. This group of women met yesterday afternoon and an informal meeting. The Jacksonville organization will meet regularly in an informal social way. Miss Amy Onken of Chapin, who is the na-

tional grand president of Pi Phi, was present at the meeting yesterday. Mrs. R. Y. Rowe, who is past national president of Kappa Kappa Gamma, is also one of the members from Jacksonville.

The next meeting will be held at 6 o'clock of the second Friday in February, at the Tea Tray. The society is anxious that members of congress fraternities affiliate themselves with the organization, and asks that any who are interested get in touch with Miss Fletcher.

## Sewing Club Met.

The Sewing club met with Mrs. T. O. Forwood 713 Redwell street, Friday afternoon. The hours from 3:30 to 5 o'clock were spent in sewing and a pleasant social time and light refreshments were served.

## Boys' Musical Club

The first anniversary of the Boys' Musical club was observed Friday evening at the home of Mr. and Mrs. Charles H. Hopper on North Diamond street. It was also the occasion of the fifteenth birthday of Charles Hillebray Hopper, a member of the club. Each one of the boys furnished a number on the program. Guests present included Rev. T. H. Tall and family, Mrs. J. Edgar Martin, Mrs. Harrie Inghoff and Claude Byrders. Following the anniversary program, refreshments were served and a social time enjoyed.

## Woman's Club

Meeting Postponed. The regular January meeting of the Woman's club will be changed from Saturday, January 13, to Thursday, January 18, at 8 a. m. The meeting will be held in music hall at I. W. C. and Edward Howard Griggs will be the speaker.

## Gives Birthday Dinner.

Miss Alice Phillips was the hostess at a charming birthday dinner given last evening at the Tea Tray on West State street in honor of Miss Florence Ward. The affair was given on the occasion of Miss Ward's birthday and a number of her friends had been invited to the function. Dinner covers were laid for six guests and a delicious menu was served at six o'clock. Roses and narcissus were used in attractive table decorations.

## Hostess to Telephone Operators.

Miss Virginia Wharton and Miss Ruby Harris entertained the operators of the Illinois Telephone company last evening at an informal party at the home of Miss Wharton on South Church street. There were about twenty-five guests present and the evening hours were very delightfully spent with dancing, music and games. During the evening dainty refreshments were served by the hostesses.

Prizes were won by Miss Theresa Longman, Ruby Harris, Mary Johnson and William Caldwell.

Those present were: Lucy Longman, Virginia Wharton, Minerva Wharton, Mary Carrigan, Margaret Shannon, Esther Sheppard, Freda Lister, Marie Baker, Gertrude Hamilton, Gladys Hamilton, Florence Barber, Violet Barber, Emma Topping, Dolores Topping, Mary Johnson, Theresa Longman, Mary Clark, Margaret Longman, Ruby Harris, Frank Jones, Joseph Ross, Roy Brandon, George Wilson, Charles Jennings, Jack Small, Dick Harris, John Buckley, George Edwards, Miles Callans, Frank White, Dick Strickland, Douglas Fulton, William Caldwell, Harry Harvey, Thomas Murray and Ray Smith, Springfield; Bill Ryan, Decatur; Charles Craig, Jerseyville.

## History Club of

Woman's College Met. The History club of Illinois Woman's college met Friday evening at the college, with a program dealing with national and international situations. Genevieve Blankenship and Kathleen Calhoun discussed the domestic situation. Lorene Eilers and Virginia Harper spoke on the Near East situation. Professor Lobdell concluded the meeting with a general discussion of the European situation.

## SERVICES FOR MRS. PEMBERTON ANNOUNCED.

Victim of Shooting Was Native of Macon County and Long Resident Here

Services for Mrs. Margaret Lillie Pemberton, 627 Henry street, who was shot by Herman Barrett Thursday evening, will be held at 2 o'clock Sunday at the Gilham funeral home, in charge of Rev. M. L. Pontius of Central Christian church, and interment in Jacksonville cemetery.

## GEORGE ROYSE DIED AFTER SHORT ILLNESS

Well Known Resident Passed Away Friday Night from Heart Affection—Funeral Arrangements Not Complete

Death came to George Royse, a well known Jacksonville resident, at his home, 1336 West Lafayette avenue, at 10 o'clock Friday night. Mr. Royse had not been in rugged health for several years, but his condition had not been accounted alarming, and his final illness was of but two or three days' extent. The deceased was in the business district Tuesday and seemed to be in his usual health. However, the condition of Mr. Royse became such Thursday morning that members of his family were sent for, and death ensued at the hour mentioned, as the result of a heart affection.

Mr. Royse, who was about sixty-seven years of age, had been resident in Jacksonville for twenty years, the family having come to this city from Cisco, Ill. Mr. Royse was successful as a farmer and business man, and retired from active work about the time that he became a resident of this city.

He was widely known in Jacksonville as a man of high ideals, whose counsel was often sought and whose integrity was of the highest type.

The deceased is survived by his wife and three children: Mrs. George Goken of Cisco; Mrs. Fred Davey of Cuater, Ill.; and Miss Lucy Royse at home.

Arrangements for the funeral have not been completed.

## AGED MURRAYVILLE RESIDENT DEAD

William Walker Died Saturday Morning After Long Illness—Deceased Was 81st Year.

The death of William Walker a long time resident of Murrayville Precinct, occurred at 1:40 o'clock this (Saturday) morning. Mr. Walker celebrated his eightieth birthday on the 18th of last October and notwithstanding his great age, the deceased had been comparatively strong and well until the past eighteen months.

Mr. Walker's death occurred at the home of his daughter, Mrs. Huston Ward, where he had been a member of the household for a number of years. The deceased was a veteran of the Civil war, a man highly respected in the community here he had lived for so long.

He is survived by the following children: Edward and Charles of Manchester; William and Ada of Murrayville; Emma of Roodhouse, and George Walker of Westcliff, Colo.

Announcement of the funeral will be made tomorrow.

# Who Are These Movie Actors?

THESE THREE PICTURES are composites of the features of three well known movie actors. In the above picture the forehead and cap are those of a famous wild west hero. The eyes and nose are of a man noted for his acrobatic skill. The mouth and chin belong to a chap who has given you many laughs.

IN THIS COMPOSITE you have the forehead of the husband of a famous movie star. The eyes and nose belong to a man who has been divorced from a woman who appears now and then in pictures and vaudeville. The mouth and chin have quivered over recent domestic infelicity.

THIS COMPOSITE CONTAINS one extremity of a hero who is noted for his others. The eyes and nose are those of a sad new papa. The mouth and chin are of one whose son was born before he entered pictures.

## A STUPENDOUS NEW CONTEST!

### Solve the Puzzle Pictures of Movie Actors and Win a Big Cash Prize!

Do you know the Movie Actors? Can you solve the three Puzzle Pictures shown above?

Last Sunday The Chicago Tribune announced, in the big COLORoto Magazine, a stupendous new Puzzle Picture Contest. The demand for Chicago Tribunes was so enormous that many people could not get a copy. For the benefit of all who wish to enter this contest the first three Puzzle Pictures are re-printed above. *You can start with these. They will count.*

Note that these three pictures are Composites. Each Composite contains the forehead of one actor, the eyes and nose of another, and the mouth and chin of a third.

Can you cut apart these Puzzle Pictures, assemble them, and name the actor? It's easy. Just try it!

The Chicago Tribune will give away \$10,000.00 in Cash Prizes FREE to the persons who send in the best answers. Note that clues are given in descriptions under each picture.

All you have to do is to cut apart the above Pictures, put them together and name the actors. You can start with these—*NOW!*

No work—just amuse yourself and prove your skill.

Three of these Composite Puzzle Pictures of Movie Actors will be printed every Sunday for 12 weeks in the big COLORoto Magazine Free with The Chicago Sunday Tribune. The first set is shown above. The next set will appear in the COLORoto Magazine of tomorrow's Chicago Tribune.

This contest is open to everybody. Men, women, boys and girls may compete. It does not matter where you live.

1327 Cash Prizes totaling \$10,000.00 will be paid. Do you want one of these big Cash Prizes?

Enter this contest at once by starting with the first Puzzle Pictures shown above. Read rules carefully and begin NOW as this offer will not appear again.

## Rules?

- Every Sunday for 12 weeks The Chicago Tribune will print in the COLORoto Magazine, three Composite Puzzle Pictures of Movie Actors and Actresses. Each Composite will consist of the forehead of one actor, the eyes and nose of another, and the mouth and chin of a third. The three Composites printed each Sunday, will, when cut apart and assembled, make three complete pictures of movie actors and actresses. \$10,000.00 in Cash Prizes will be paid to the persons sending in the nearest correctly named and nearest sets of the 36 pictures.
- 1327 Cash Prizes will be paid as follows:

Next 200	\$10.00 each
Next 1100	\$ 5.00 each
<b>1327 Prizes Totaling</b>	<b>\$10,000.00</b>
- The contest is open to everybody—men, women, boys and girls—except Tribune employees and their families. It does not matter where you live.
- You pay nothing—you do no work—just amuse yourself by proving your skill.
- The Puzzle Pictures must be cut out, assembled and pasted or pinned together. Below each picture write in the name of the Movie Player. Clues will be given in descriptions below each Composite to help you solve every one.
- In all, 36 pictures will be printed—three every Sunday for 12 weeks. Pictures are to be submitted in sets of 36 only. Hold all your pictures until you have the complete set of 36. Then send them to "Puzzle Pictures", The Chicago Tribune, 7 South Dearborn Street, Chicago, Illinois, attaching your name and address. All pictures must be in by midnight 15 days after Series No. 12 is published.
- Accuracy will count. Neatness will count.
- You need not purchase the Tribune or any other newspaper to compete. You may copy or trace the pictures from the originals in the Tribune and assemble the pictures from the copies you have made. Copies of the Tribune may be examined at the Tribune office or at the public libraries, free of charge.
- The judges will be a committee of three members of the Tribune Staff whose decision will be final. In case of ties the full award offered will be given to each tying contestant.

**DUN'S REPORT**  
**WILL SAY TODAY**

NEW YORK, Jan. 12.—Dun's tomorrow will say:

"With some extension of previous gains, business has more than held its favorable position. The holiday season had brought less than the usual slowing down to basic industries, and the first fortnight of the new year has been marked by sustained demand or larger buying, while the price movement is irregular with certain sellers making concessions there is well defined strength in some important branches as in iron and steel and textiles. The question of delivery becomes more prominent and the matter of price of smaller importance in cases where the urgency of needs is disclosed and it is reassuring that current shipments of goods are facilitated by the improvement in the car situation. Instances are not uncommon where manufacturers being engaged for some time ahead cannot accept orders for early forwarding despite the higher rate of production."

**Market Report**

**By The Associated Press**

**POOL OPERATIONS****NEW YORK STOCKS**

NEW YORK, Jan. 12.—Pool operations in special stocks induced by the huge sums of money available for loaning purposes at low rates again furnished the basis for most of the gains in today's stock market. Except for some scattered buying in the rubber, motor and oil groups, the standard shares generally moved irregularly within narrow limits. The apparently peaceful effect of the French invasion of the Ruhr served to lessen the restraint to which the market has been subjected since the failure of the recent premiers' conference to reach reparations agreement, the day's sales running more than a million shares for the first time this week.

Public interest in the market has increased but the volume of this outside trading is still a relatively negligible factor.

California Petroleum again led the oil shares establishing another new record price for all time at \$3.12, but dropping back to \$3.10, where it was up 1 1/2 on the day. Standard Oil of California moved up 1 1/2.

Another increase in crude rubber prices to above 32 cents a pound resulted in some active buying of these shares. United States Rubber advancing 2 1/2 points and Kelly & Springfield, Ajax, Lee and Goodrich preferred 1 1/2 to 2 points.

Studebaker was again active touching 117 1/2 and then falling back to 116 or up 1/2 on the day, buying of the stock being influenced by the report that the company was making plans for the construction of 35,000 cars during the first quarter of this year.

Chandler moved up 1 1/2 and Stewart-Warner Speedometer 1 1/2. Call money opened at 4 per cent but softened later to 3 1/2 which rate was maintained until the close.

Most of the 45 and 90 day time loans are made on a 4 1/2 per cent basis with the longer maturities commanding 3 1/2. Demand sterling is as high as \$4.67 1/2, or within 1 1/2 of the recent high level but eased to \$4.67 1/2. French francs again rose above the 7.00 cent mark. Others were irregular.

United States government bonds with the exception of the New 4 1/2 which advanced 1/2 to \$100.75 were reactionary. The First 4 1/2 dropped 2 1/2 cents and the Third and Fourth 4 1/2 3c each.

**WHEAT UNDERWENT****SETBACK IN PRICE**

CHICAGO, Jan. 12.—Despite increasing complaints of dry weather in Oklahoma, Kansas and Nebraska and notwithstanding that green-bugs were reported in Texas, wheat underwent a setback in price today largely as a result of profit-taking sales. The close was unsettled 3 1/2 to 1 1/2c net lower with May \$1.19 to \$1.19 1/2 and July \$1.12 to \$1.12 1/2. Corn lost 3/4c to 1c and oats 1/2 to 3/4c. Provisions finished unchanged to 2c lower.

With no indications of an important export business going on and with chances apparently waning that the invasion of Germany by France would lead to serious further military developments, holders of wheat showed a decided tendency to get rid of ownership risks as to May wheat in particular. This disposition gave evident at the outset and, frequently thereafter but was most pronounced in the last half hour of trading, when No. 2 hard wheat was reported as being obtainable at the eastern seaboard 1/2c under the cost of May wheat in storage here. July and September wheat displayed relative strength as compared with May and at one time advanced slightly above yesterday's final quotations. The advance was due to commission houses buying of nearly 1,000,000 bushels of July. This purchasing was generally assumed to be for shorts and to be caused by adverse crop conditions west and southwest. The effect was more than offset later by the heavy liquidating sales of May and by some talk of delay in rural credits legislation.

Corn and oats gave way with wheat. Cash demand for corn was said to be poor by contrast with what has been the rule of late.

Weakening of hog values eased the provision market.

**CASH WHEAT FINISHED HIGHER YESTERDAY**

CHICAGO, Jan. 12.—Cash wheat finished 3/4c higher today with the basis on red easier and on hard firm. Demand was good both from local and outside millers. Offerings continuing light. Cash sales were 2,000 bushels of which 40,000 bushels went to exporters. Corn closed 1/4c easier. Trading basis was weaker; cash sales were 95,000 bushels. Demand was not so good. Oats finished 1/4c lower with the basis steady; shipping sales totaled 89,000 bushels. Cars inspected: wheat, 33; Corn, 253; Oats, 65.

**COUNTY S. S. COUNCIL  
IN MEETING FRIDAY**

The Sunday School Council of Morgan county held a very interesting session Friday. Fred J. Schofield, the county president, was in the chair and led an informal discussion of county Sunday school problems. About fifteen officers of the county organizations, school superintendents, heads of departments and teachers attended the meeting, which was held in the basement of the Ayers building.

The council discussed the matter of securing a new secretary to fill the vacancy caused by the retirement of J. S. Flindley, who met with the council for the last time. He reported three precinct conventions held since the county gathering, and also gave some information concerning district officers' conferences, which the state organization is anxious to be held as frequently as convenient.

**MURRAYVILLE NEWS NOTES.**  
Rev. W. C. Harms expects to attend a meeting of the Jacksonville and Springfield districts of the Illinois conference of the M. E. church at Carlinville Tuesday and Wednesday, January 16 and 17. Bishop Thomas Nicholson of Chicago will be one of the speakers.

Mrs. Effie McLamar of Beardstown spent this week with her cousin, Mrs. Carl Rousey, and family. Mrs. Rousey is reported on the sick list.

Mrs. Jack Hudson and children of Jacksonville and Mrs. Douglas Tankersley of Winchester were guests Friday of Mrs. Harry Cade.

Mrs. William White and Mrs. S. B. Robinson were St. Louis shoppers Monday.

Kenneth Cade spent the week end with Oliver Sooy in the country.

**FACTS ABOUT COUNTY  
SCHOOLS ARE TOLD**

Supt. Vasconcellos Made Address at Meeting of Rotary Club—Morgan County Record Better Than in Many Other Counties. Consolidated Schools Mean Greater Opportunities.

County Superintendent of Schools H. H. Vasconcellos made an address at the Friday luncheon of the Rotary club at the Pacific hotel. Mr. Vasconcellos stressed the importance of the grade schools, emphasizing the fact that a great many boys and girls never reach the high schools or the colleges.

In beginning Mr. Vasconcellos mentioned several interesting facts about the superintendent's office, stating that the work of the office continues thru twelve months and that the superintendent's salary is paid from state and not from county funds.

Then the speaker talked particularly of the certification law in its relationship to county schools and that relating to standardization. Certification pertains to the preparation of teachers and Mr. Vasconcellos said that this county ranks well in this matter. When the law went into effect it was only necessary to issue seven emergency certificates, wherein the preparation of the teacher did not fully measure up to requirements. In a number of other counties it was necessary to issue emergency certificates in much larger numbers.

In the examination submitted by the certification board the percentage of those who reach satisfactory averages is greater in this county than it is in many other counties in the state. Mr. Vasconcellos said that the fact that Illinois college and Illinois Women's college are located in Jacksonville no doubt has much to do with better preparation for the work than many teachers in the county schools have made.

Mr. Vasconcellos' suggestion that the teaching profession is not as alluring as it should be from a financial standpoint is clear from the statement that the average yearly salary in county schools is \$780.

Standardization was defined as the term relating to sanitary and physical conditions of the school buildings and the superintendent said that the number of standard schools in this county is constantly increasing. The speaker went on to say that he did not mean that there is still nothing to attain in the school system of this county, but his thought was to present general facts to show that the schools of this county are in much better condition than is true of a great many other counties of the state.

Consolidated schools, Mr. Vasconcellos said, will mean much in an educational way to the county as they are developed. It is possible for consolidated schools to afford much better facilities than are available with district schools. One obstacle to the development of the consolidated school system is the money that the districts have already invested in their school properties.

In conclusion Supt. Vasconcellos told Rotarians that he would be glad to discuss with them at any time any matter of interest to the school system of Morgan county.

Mention was made by the chairman of the state Rotary convention to be held at Danville March 20 and 21. It is the expectation that a large delegation will go from the Jacksonville club and a committee will be named to take charge of the arrangements for this trip.

Guests of the day were Ray Hartman and Leo Johnson of this city; Principal Kaiser of the Jacksonville high school; Robert Works of Indiana, Pa.; Charles Elcholz of Chicago and George Witty of Pleasant Plains.

**JOY PRAIRIE STOCK  
SHIPPING CLUB TO MEET**

The annual meeting of the Joy Prairie Shipping club will be held at the home of Chris Horner, formerly the Deeweave farm, next Thursday, Jan. 18, at 1 o'clock p. m. At this time a manager, president, five directors and a secretary will be chosen and the manager's report of all shipments made during the year will be presented.

The officers and managers are very hopeful that there will be a large attendance of members, for they believe that the annual meeting is the time for all to get together and freely discuss matters that are of common interest. Without attendance at these meetings members are likely to get the feeling that the officers and managers have entire charge of the program of the organization. The prevalence of this thought is not good for any organization and a full attendance of the membership will make for increased interest in the work during the coming year.

The music was furnished by Mrs. Elmer Ellis, Mrs. Mae Hitt, Clarence Ratcliffe and W. W. Gillham.

In care of the flowers were Mrs. Clarence, Ratcliffe and Mrs. Mae Conrad.

The pall bearers were Harold Hagne, Joe Simmons, Paul Scott, Dean Hembrough, John McGuire and Mr. Kinnett.

**AUTO TRAVELERS  
REMEMBER COURTESIES**

California Writes to Jacksonville Man for Copies of Route Map Given Him Last Summer.

The importance that attaches to courtesies extended to automobile tourists is indicated in a letter received by T. M. Tomlinson from Los Angeles, Calif. The writer is Elmer A. Guy, who drove thru Jacksonville one day in June, 1922. While here he was given a map of the Ocean to Ocean highway by Mr. Tomlinson, and has written now to further express his appreciation and to indicate how great a help the map was in making the journey to the western coast.

Mr. Guy also wrote to ask for additional copies of the map to be given to several friends who contemplate a journey from coast to coast this summer. Mr. Guy said, "I want to tell you now that we appreciated the map and it was the best help we had. The route indicated we believe is the best from the east to the west. I have made several pencil copies of this map because I have been unable to find another like it."

"It is because we have several friends coming here this summer that I am now writing to ask about securing map copies. We would also appreciate any printed matter you have concerning camping locations."

**FORMER RESIDENT  
DIES IN SEATTLE**

Funeral of Mrs. F. H. Luce Will Be Held in Jacksonville—Deceased Miss Nellie Mathers Before Her Marriage.

A message received here Friday brought the news of the death of Mrs. F. H. Luce at her home in Seattle, Wash., Thursday night. Mrs. Luce, who was the wife of Dr. F. H. Luce, was a daughter of John Mathers, prominent among the earlier citizens of Jacksonville. Her girlhood days were spent in this city and she was graduated from Illinois Woman's college, known at that time as the Female college.

Shortly after their marriage Dr. and Mrs. Luce sought a home on the coast and for a period of years have been resident in Seattle, where Dr. Luce is vice president of the National Bank of Commerce.

Mrs. Luce is survived by two brothers, J. Tabor Mathers and William D. Mathers, both of this city. The remains are to be brought to Jacksonville for interment and announcement of the funeral will be made at a later date.

**CULLY CONNUES IN  
STEADY IMPROVEMENT**

Cause of Pain in Shoulder May Be Determined Soon by X-ray—Second of Bandicis Still Sought.

Elmer Cully, who was shot Tuesday morning by LeRoy Hicks, colored bandit, still continues to gain strength slowly. This improvement, according to doctors and officials of Our Savior's hospital, has been steady since the end of the first day, prior to which his life was despaired of. Cully is eating regularly, and should regain strength steadily, unless complications develop.

It is thought that within a few days, if matters continue to go well, an x-ray examination may be possible. As soon as Cully can be moved, an effort will be made by x-ray to locate the bullet and to determine the cause of pain in the left arm and shoulder. This may be due to the bullet or to a blow from the holdup man's gun.

Meanwhile efforts to apprehend the companion of Hicks in the holdup incident continue, with several hundred circulars describing the man having been sent out, and it is believed that he will eventually be apprehended.

**BUSINESS COLLEGE  
WINS CALC CONTEST**

Will Have Possession of Fine Cup for Month—Twenty-Nine Perfect Papers in Rapid Calculation Test—Graduates Get Positions.

A loving cup of considerable value and beauty will be the possession of the local Brown's Business college for a month as the result of a recent contest in rapid calculation between the various colleges of that name. The problems and instructions were sent out from the central office at St. Louis, and all the papers were sent there to be corrected. Jacksonville had 29 perfect papers, or 63 per cent of the class, beating the nearest competitor by about 10 per cent.

The cup is expected any day from Terre Haute. The Terre Haute college won the first of the new series of contests last month by taking spelling honors. The plan of holding one inter-college contest each month, or two in each if the six subjects of the course during the year, will, it is hoped, make for increased efficiency in all lines and interest in the contests. Under the new plan the bookkeeping contests will be held within each school, as difference in text books would make difficult a comparative grading of the various schools.

Nineteen certificates of honorable mention have been made out by Principal Claybaugh for students who have averaged 95 per cent thru their entire course.

At present only two graduates of the college are not located in positions, and several have accepted positions during the past week. Miss Eva Ramsey of Murrayville is with the Rothchild Clothing company. Miss Elizabeth Tuite has started work at the Ayers National Bank, and Miss Amy Scott has accepted a position with the Cloverleaf company.

**LOCAL SCHOOL FINANCE  
STUDIED BY EXPERTS**

Jacksonville Schools Among Those Chosen for Inquiry on How Much Good Schools Should Cost

The National Finance Inquiry has sent Robert Strickler to Jacksonville as its representative in a study of finances carried on by that organization for the purpose of determining the cost at the present time of good schools. The Inquiry Commission, headed by Dr. G. D. Strayer of Columbia University, is a branch of the National Council of Education, and its investigations will be used both to urge economy on those who are exceeding a reasonable budget and to secure public sentiment in favor of sufficient funds for the first class schools in every community.

Jacksonville schools were included in the survey as being one of the efficient systems of the state. Investigations are carried on most intensively in New York, Illinois and California, but to some extent over the broader field of the entire country.

Mr. Strickler, who arrived Thursday night, was well into the work Friday, and hopes to conclude his collection of data on various branches and phases of school costs here by Monday night, when he leaves for Chicago. C. B. Henry, under whom he is doing his work, was expected to be here to do a part of the work, but did not arrive Friday.
